Product Information

TRU-SPRINT™ COLDFLEX Rapid Roll Door is a high quality, insulated, heavy duty solution for environmental control in demanding situations. This door can be used in a vast number of applications, such as the food industry, warehouses and workshops. The door is suitable for mounting on the outside of freezers down to -30°C, freezer ante rooms, coolrooms, hot rooms up to 70°C, and noisy areas. **TRU-SPRINT™ COLDFLEX** Rapid Roll Door will help you provide a better working environment while helping save money on cooling and heating.

Save money on your operating costs with an insulated Rapid Door.
