

# TRU-SPRINT™ RACER Rapid Roll Door Series II

## Description

TRU-SPRINT™ RACER Rapid Roll Door Series II

## Webpage

<http://www.tru-bilt.co.nz/products/tru-door/#tru-sprint-racer>

## Product Information

Innovative and efficient, the **TRU-SPRINT™ RACER Series II** is a unique high-speed, self-repairing door with the latest technology to re-set itself and prevent the cost of incidents and down time. During accidental impact, the curtain will move out of its guides without causing any damage to the door structure. The door is designed to recollect the loose curtain simply by initiating its open/close operation. The super quick **TRU-SPRINT™ RACER** will reduce the transition time of goods from one facility to another, while avoiding the costly impact of human error and damage to your assets. This door is manufactured with highest quality products, providing greater endurance, functionality and efficiency for the warehouse industry.
