Product Information

TRU-SPRINT™ RIGID Rapid Roll Door is the latest addition to our range of rapid doors. A super strong, heavy duty, spiral action door, the **TRU-SPRINT™ RIGID** is ideal for warehouses and workshops requiring fast external access and strong site security. Combining the efficiency of a high-speed door with the security of a solid galvanised steel structure and offering the option of insulated panels for temperature-controlled environments, we are proud to present our superb all-rounder, the **TRU-SPRINT™ RIGID** Rapid Roll Door.
